Querying U.S. Government Plates by LIC

Two inquiries are required when querying U.S. Government plates; one for wanted/stolen information, and a separate query to obtain registration information.

For wanted/stolen information, include LIS/US in the inquiry.

Example: QQ.ORI/IA0110000.LIC/G120040F.LIS/US

To obtain registration information, include LIS/GS in the inquiry.

Example: QQ.ORI/IA0110000.LIC/G120040F.LIS/GS

The license field must contain the letters indicating the department followed by seven numbers/letters.
